EDUCATION

Politecnico di Torino, Turin, IT *Sept 2024 - Oct 2026*
Master of Science in Computer Engineering (Software track) - Expected final grade: 110/110

Chalmers University of Technology, Gothenburg, SE *Sept 2025 - June 2026*
Erasmus+ Exchange Program
Master's Thesis: "An AI Agent System to Generate JMH Microbenchmarks"

Politecnico di Torino, Turin, IT *Sept 2021 - Sept 2024*
Bachelor of Science in Computer Engineering - Final grade: 104/110

Relevant coursework:

Algorithms and Data Structures, Operating Systems, Object-Oriented Programming, Data Science and Database Technology, Big Data (Apache Hadoop, Apache Spark), Computer Architectures (ARM, MIPS), Distributed Systems, High-performance parallel programming, Computer Networks, Web Applications, Software Engineering, Cryptography.

INTERNSHIP

ISI Foundation, Turin, IT *April 2024 - June 2024*
Conflict Analysis: an explorational study

- International conflict analysis: conducted a study on conflicts in South America, focusing on Brazil, using ACLED data to calculate key metrics such as conflict density and conflict exposure, identifying correlations with socio-economic and urbanization variables.
- Data analysis: applied data science techniques with tools such as Python, Pandas, Geopandas and Matplotlib for geospatial analysis, data visualization and large-scale dataset management, ensuring result validation and accuracy.

RELEVANT EXPERIENCES

Mu Nu Chapter of IEEE-HKN Honor Society *March 2023 - July 2025*
Head of Corporate Training area

- Oversee a team in organizing events and masterclasses tailored for the Politecnico di Torino student community.
- Organize networking events to connect members with experts and entrepreneurs, sharing career stories and professional experiences.

Member of Tutoring area
- Delivered C programming tutoring sessions at Politecnico di Torino.

Teaching Assistant @ Politecnico di Torino *February 2025 - July 2025*
- Part-time collaboration assisting first-year Bachelor's students with C programming fundamentals.

TECHNICAL SKILLS

Languages: Italian: Native - English: Fluent (C1 – IELTS 2023 score 7.5).
Programming Languages: Python, C, Java, JavaScript, Assembly (MIPS, ARM), SQL, extended SQL, Bash, Go.

SOFT SKILLS

- Leadership*
- Led a team of 10-15 people, delegating tasks, motivating members and ensuring smooth project execution.
- Communication*
- Managed internal and external communications, built professional relationships and presented at public events.
- Organization and Problem-Solving*
- Adapted plans to address unexpected issues, prioritized tasks effectively and organized events, handling logistics, registrations and guest coordination.
